

THE CLEAR DIFFERENCE.

With our large in-stock inventory, you can get in, get out and get on your way, usually the same day. And all our work comes with a lifetime guarantee.

Let Glass Tech Take Care of You

The professionals at Glass Tech replace and repair glass on the following vehicles:

- All years, makes and models of passenger cars and trucks
- Custom and classic cars
- Semis
- Agricultural equipment
- Heavy equipment and machinery
- RVs and travel trailers
- Fleet vehicles

Glass Tech is locally owned and operated by Cedar Valley natives Ron and Jodie Watson and Todd Arenholz.

Hundreds of families, body shops, car dealerships, collision centers, insurance companies and insurance agents turn to Glass Tech for their glass repair and replacement needs. So should you!

Glass Tech is conveniently located behind the public library in historic downtown Cedar Falls. Watch TV and enjoy free wi-fi in our comfortable lounge.

Glass Tech is registered and certified through AGRSS, the premier auto glass replacement safety standard council. This ensures that your auto glass installation is being done properly and will meet or exceed the highest safety standards in the industry.

MOST OF US DON'T THINK ABOUT GLASS REPAIR AND REPLACEMENT UNTIL A ROCK CHIPS OUR WINDSHIELD . . . OR WORSE YET, WHEN THAT CHIP TURNS INTO AN UNSIGHTLY CRACK. THE GOOD NEWS IS, GLASS TECH DOES.

For nearly 15 years, Glass Tech has been repairing and replacing windshields, door glass, back glass, sliders in pickups – any piece of glass in virtually any vehicle. We exceed all industry safety standards and use the highest-quality parts and products to restore your vehicle to its original condition . . . or better.

Our expertly trained professionals:

- Replace glass
- Repair rock chips in glass
- Replace mirrors and wiper blades
- Replace power window regulators and motors
- Restore headlights that have yellowed or dulled
- Cut custom glass and Plexiglass/Lexan
- Repair power windows

LEAVE YOUR CLAIM TO US

Glass Tech is insurance approved and works with all insurance companies. Your claim will be expertly and efficiently handled from start to finish.
