

10 FUN TIMES ARE EASY TO FIND

UNI has more than 250 student clubs and organizations, so there's bound to be at least one (and probably many more) that sounds like fun. Music, theatre, Greek Life, honor societies, student government, faith-based organizations—we could go on and on but we only have so much room on this page! Come to the Student Involvement Center and we'll hook you up.

9 EVERYONE LOOKS GOOD IN PURPLE

Cheer from the stands, play in the band or play on a team. UNI has 17 Division I men's and women's athletic teams that play in the UNI-Dome, the McLeod Center, and on various venues around campus. Anyone can get in the game by joining an intramural team, fitness class or club sport. Game on!

8 A HOME AWAY FROM HOME

Cedar Falls is a student-friendly town with just under 40,000 people. New restaurants, coffee shops, retail stores and clubs are popping up all the time. Most are a few blocks from campus or just a short drive away. The Cedar Falls area also has more than 100 miles of nature trails, a water park, golf courses – everything you need for year-round fun.

7 CENTRALLY LOCATED

Cedar Falls is within a few hours' drive of Des Moines, Chicago, Minneapolis, Kansas City and St. Louis. That makes big-city internships and student-teaching experiences convenient and close by.

6 EASY LIVIN'

Living in one of UNI's 10 residence halls means a short walk to class, phenomenal food and friends right next door. Choose from single-sex, co-ed or suite-style living. Each hall has at least one Living Learning Community – floors for students with a shared major or similar interests and commitments.

5 UNLIMITED FOOD

Sushi? Yes. Pizza? Of course. Burgers and fries? You bet. Whatever you crave, Piazza and Rialto dining centers have all you care to eat menus. For a quick bite or coffee between classes, check out the convenience stores, food carts around campus, the food court in Maucker Union, or the Book Bistro in the library. Studying and snacks—a winning combo!

4 A TOP 100 BEST-VALUE COLLEGE

More than 90 percent of our first-year students receive some sort of financial aid (scholarships, loans, grants, work study). And when our students graduate, they owe less money than students who graduate from any four-year public institution in Iowa.

3 MORE THAN 90 MAJORS

Maybe you know what you want to major in. Maybe you don't. Either way is okay because you'll find the right fit in one of our more than 90 majors. Add a minor area of study (we have more than 80) and you're on the road to a fantastic career.

2 TEACHERS WHO KNOW YOUR NAME

As a teaching-focused university, UNI faculty put students first. Our average class size is just 23 students, so you'll really get to know your classmates and professors. And 99 percent of classes are taught by faculty, not graduate students or teaching assistants, which means you'll learn from professional educators with years of teaching experience.

1 HANDS-ON LEARNING

Employers and grad schools are looking for hands-on experiences. You'll find that at UNI. Our ever-expanding list of internship, student teaching, study abroad and research opportunities make you stand out.

In the latest U.S. News & World Report ranking, UNI retained our No. 2 spot among Best Public Regional Midwest Universities.

Within six months of graduation, 93 percent of UNI graduates are employed or attending graduate school.
